

Intertransport Move 186 tons to China

PCN Member in Germany, INTERTRANSPORT Hohnholz GmbH recently transported part of a paper factory from Moss, Norway and Muenster, Germany up to door Wuhu, Anhui Province, China. The pre-carriage from Norway was arranged by their PCN partners from Norway, Prime Cargo AS.

Spokesperson, Ramona Duckstein says "In total, 4x40'OT, 1x40'DC+1x20'DC as well as 6 break bulk cases were shipped on MV "Hanjin America" to Shanghai. The cases were stowed on 13x40' flatracks. The total gross weight of the machinery was 186 tons."

“ I took time choosing the right agency network for our business. Let's be honest, there's not a business anywhere that is without problems. It becomes worse when your commitment to your customer is at stake. Business partners are crucial as they play a vital factor. PCN is simply exceptional. I am simply amazed by the way Members are benefited. Massive projects being handled worldwide, it's simply impeccable. Words are words, explanations are explanations, promises are promise but what matters is PERFORMANCE which is PROVEN with PCN NETWORK. I am glad to be part of such a prestigious network and I thank Rachel for giving me the opportunity. ”
